Change must come —  
not as a mere flirtation with  
needlessness but with sound purpose  
and reason.  
However,  
knowing how and why to change is  
the difficult task.  
Change is leaving something in favor  
of another —  
another idea  
another method  
another situation  
Students have become the initiators —  
a more relaxed dress code  
the modular system  
voting privileges  
Change brings sadness and happiness,  
surprises and certainties.  
Change is the challenge and excitement  
of our everyday life.  
1973 "Clock" —  
a clock —  
time —  
change —  
daily life —  
students —  
activities —  
Perry High School.

## Dedication

Housekeeping is a job relished by few, young and old alike . . . digging into corners to get out dirt, scrubbing floors, washing windows, dusting furniture. But to "housekeep" a high school takes almost sacrificial devotion, and it is for 16 years of that devotion that Lou Clauss, head custodian of Perry High School, is the dedicatee of the 1973 CLOCK.

"Before becoming head custodian I often had to be at work at 4 a.m. during the snowy months to shovel sidewalks, and to clear parking areas. Most of the heavy cleaning has to be done after hours when school is not in session," says Clauss. "While my supervisory position has relieved me of much of the so called "heavy work", I credit my working crew for their strenuous efforts at keeping Perry a school of which we can be proud."

In addition to his cleaning responsibilities, Clauss also provides a shuttle delivery for the food services between Perry, Edison Junior High and the eight elementary schools in the district. When electrical problems arise in the school, that too often falls into his hands instead of calling in outside help.

A salesman dealing in school products once commented "you can tell how well a school is administered by the pride the maintenance staff takes in its building." One need only walk down the "almost like new" hallways of Perry and see the apparent lack of wear and tear on the 17 years old structure to feel Clauss' pride in his job and gratitude for his hard work.

# THE ESTABLISHMENT

## Mr. Dale Beatty

Mr. Dale Beatty has served as principal at Perry High School for the past seven years. Neither rain nor snow has kept Mr. Beatty from attending our great school functions and his enthusiasm is exuberant at our pep rallies. He is a truly dedicated administrator who places the interest of the school first. Mr. Beatty graduated from Fairmont State College with a BA in education, West Virginia University with a MA in administration, and attended Akron University.

## Mr. James Miller

Being a back up man for Mr. Beatty is only one of the many responsibilities of Mr. James Miller. Although he may reprimand someone he is still there lending a helping hand when one needs it. With all his responsibilities, Mr. Miller known for his fairness and high moral standards still has time to help prepare students for the future.

Mr. Miller is serving his third year as assistant principal. He graduated from Fairmont State College and West Virginia University. He taught biology, and physical education, and was a coach and athletic director.

Perry Board Shows Concern For Schools

There are not many men who can sit down and work the problems of a school out rationally. Fortunately our Perry Board of Education is interested in the welfare of our school. These men try to meet the needs of all the students and at times this can be difficult. One major problem this year was developing the modular system to ease the overcrowding in our schools. At first, it took much getting use to but before long it was functioning very well.

# Prepares Students for Future

## Balanced Meals and Well Kept

# Building Are Commonplace at Perry

The cafeteria workers are kept on "their toes" trying to prepare well balanced meals for the students and faculty. Cooking for a school the size of Perry is a most difficult job, so give the Perry cooks a pat on the back!

Without the custodians, Perry High School could not function properly. They are the first to arrive in the morning and the last to leave at night. Of their many jobs, they keep the halls clean and replace burned out lights. What would our school do without them!

TOP LEFT: Mr. Louis Clauss, Head Custodian. TOP CENTER: Mr. Joshua Wahl. BOTTOM LEFT: Mr. Hugo Cargnel, Mr. Bob Taylor, Mr. Orval Deems, Mr. Mike Moore. ## Panther Pride Runs Deep

## Under New Head Coach Perry Records 10 Wins

Perry High School provided a strong team in Federal League basketball. The Panthers record of ten wins and eight losses fail to indicate the fantastic game verses Fairless. Lead by Adair Cooper, Rich Long, Rich Wheat, Terry Preusser, and Roy Newlon, the Panthers defeated a top contender for the championship, Fairless. This win was the climax of the season and represented Perry Players, as well as coaches in a fine effort. The co-captains, Rich Wheat and Adair Cooper provided leadership as well as senior Rich Long. Two promising juniors, Don Misheff and Roy Newlon, contributed strongly during the season.

## Reserves Dominate Federal League with 14 Wins

Totaling fourteen wins, the Perry Reserve Basketball Team looked impressive against other Federal League reserve teams. The young Panthers showed their rebounding and shooting strength on the front lines with Jim Cardwell, Jeff Bricker, and Dan Rogich. The guards also exhibited their shooting ability on the court by their high shooting percentage. Dan Rogich and Jim Cardwell not only logged time with the reserves but also played for the varsity when called upon.

## Panthers Nine Slam Home Another League Championship

With experienced personnel, Perry High School's baseball team captured the 1972 Federal League Championship. All-Federal League catcher Steve Halter, along with Jim Miller and Willie Gates, led the champs with consistency and dependability. The Panthers won the western division championship, then played the champion of the Eastern division for the Federal League title. Along with senior Willie Gates, the excellent pitching staff included: Gary Reed, Andy Haag, Dave Milnes, Mitch Patterson, and Dave Longsworth. Jim Miller, Jim Needs and Steve Halter provided power with timely hitting. The second base shortstop combination of Jerry Klick and Roger Laster was considered one of the best in the Federal League.

## Cindermen Work Hard for Average Season

The 1972 Perry track team had its accomplishments along with its disappointments. One of the disappointments was their record of 4-7. Among the achievements was the Perry Relays. The Perry track team sponsored the first annual Perry Relays with eight area schools participating. Another major accomplishment was achieved when co-captain Doug Kaylor qualified for the regionals and set a county record in his strongest event, pole vaulting. The Perry trackmen were led by co-captains Doug Kaylor and Jeff Musser and by Coaches Bob Bird, Jeff Greenfelder, Bob Hill, and Gary Deluca.

## Cross Country Men Run On

Lead by sophomore Dan Cottrill, the Perry High distant runners had a fair season. The cross country team only showed two victories in nine dual meets, but underclassmen provided strength when called upon and looked promising. Three seniors, lead by Carl Bowen, exhibited leadership throughout the year. Juniors, Dan Stockdale and Don Brighenti contributed a good deal to the cross country efforts as well as a number of other sophomores.

"Putting together the "Clock" required the usual amount of time and hand work. This year, we had an entirely new system of laying out the pictures. It was bit confusing at first, but soon worked out fine.

Our first meeting consisted of an all-day work shop at Consolidated Graphic Arts Office in Canton. We designed the cover of the book, selected a theme, paper, and type style. Then, we talked about special picture effects.

## The Afterword

Today is not yesterday:  
we ourselves change;  
how can our Works and Thoughts,  
if they are always to be the fittest,  
continue always the same?  
Change indeed is painful;  
yet ever needful;  
and if Memory has its force and worth  
so also has Hope.

Carlyle

Mr. Bowen-

Can we always consider each other as friends? I hope so. I can't say sincerely enough how much you've helped me during my last difficult year at school. You always seemed to understand how I felt on the inside when I couldn't even explain to you. Thanks so much!

I'll come back some day to see you - I hope you'll remember me! I'll be praying for you - and good luck in the future!

Margaret

P.S. - Remember the grapefruits!
